FOR OFFICE USE ONLY

Account #: _____ Processed By: _____

For customers with eligible residential accounts, the first 600 kilowatt hours (kWh) (during summer months) or 1000 kilowatt hours (kWh) (during winter months) consumed in any month by residential, low-volume and designated consumers with a conventional meter will be charged at the Tier 1 price per kWh for the electricity commodity. Consumption above that threshold will be charged at Tier 2 price per kWh.

To register your account (e.g. because there is more than one unit associated with your account) you must complete this form and send it to our office by fax/mail. Your account will be adjusted upon receipt of this signed and completed Declaration Form. Any delay in processing as a result of missing or inaccurate information on the form will NOT result in adjustments to previous billings. Do not include units that are metered or billed separately from the account referenced.

Pursuant to the Regulation filed under 79.16 of the Ontario Energy Board Act, 1998, the account of a low volume consumer or designated consumer relates to:

- a property as defined in the Condominium Act, 1998,
- a residential complex as defined in the Residential Tenancies Act, 2006, or
- a property that includes one or more dwellings and that is owned or leased by a co-operative as defined in the Co-Operative Corporations Act.

You must advise us in writing if your account ceases to qualify or if there is a change in the number or units within the property or complex.
