Self-Declaration Form
Debt Retirement Charge (DRC) Exemption

The Ontario government has announced the removal of the Debt Retirement Charge (DRC) from residential electricity consumers' bills after December 31, 2015. In addition, non-residential customers who have at least one eligible residential unit are exempt from paying the DRC up to 1500 kilowatt-hours (kWh) of monthly consumption multiplied by the number of residential units stated in its declaration form.

Customers with a Bulk metered multi-unit residential complex can self-declare their eligibility for the Debt Retirement Charge Exemption if they qualify. Please return this completed form as soon as possible to register your account so that you may receive the exemption from paying the DRC for the first 1500 kWh of electricity used per month per eligible residential unit. This exemption applies only to electricity consumed on or after January 1, 2016. Declarations received after that date will be applied to the next bill and not applied retroactively.

Step One – Does your account qualify?
As defined in Ontario Regulation (O.Reg. 493/01), you qualify for DRC reduction if your account relates to:

An eligible residential unit that:

(a) Is a self-contained set of rooms located in a building or structure,
(b) Contains kitchen and bathroom facilities that are intended for the use of that unit only, and
(c) Is used or intended for use as a residential premise.

Please visit www.ontario.ca/drc for more information on the DRC exemption.

Step Two – Complete this form:
If your account qualifies, please fill in the information below. If you have more than one qualified account, list each account separately. Please attach a separate page if you run out of room. If there are units in your building or complex that are metered or billed separately from the account referenced, do not include them in the total number of units for this account.

By completing this form, you certify that the account(s) listed below provide(s) electricity that is consumed in at least one eligible residential unit.
