Power is Personal

Residential & Small Business customers can **choose their price plan** and switch between Time-of-Use (TOU) and Tiered prices.

Time-of-Use (TOU)

The price depends on when you use electricity. You can help manage your electricity costs by shifting your usage to lower price periods when possible.

Tiered

With Tiered pricing, you can use a certain amount of electricity at a lower price. Once you exceed that limit, a higher price applies.
